Lost in Space Day Camp 2010

Girl Scout Camping

If you are a girl entering the 1st—6th grade and looking for a great way to spend part of your vacation, day camp is for you!

Girls entering 7th –12th may register to be CIT's (counselors in training) see next page.

Girl Scouts of Greater South Texas Council's *Lost in Space* Day Camp will make great memories for you this summer, so make plans to attend and be part of the action! All campers are placed into groups, and you are placed on a first—come, first served basis, so sign up early.

Day camping is exactly that....camping by the day. Campers arrive at the campsite at 8:00 a.m. sharp (7:45 a.m. Monday morning), and are picked up at 12:00 p.m. sharp. Under the supervision of the trained Day Camp Directors and enthusiastic volunteers will help girls discover their talents through the many activities. While at camp, girls learn to take responsibility for themselves and to work cooperatively with others. They learn problem solving skills and gain confidence in making their own decisions. Lots of fun outdoor activities are in store....badge activities, crafts, songs, games, performances and most of all, the excitement of making new friends. Girl Scout camping can make a difference in a girl's life.
